

Anytime Access. Timely Treatment. Reliable Relief.

DialCare Urgent Care

DialCare Urgent Care is an easy-to-use telemedicine solution for **non-emergency illnesses through access to state-licensed physicians** via phone or video consultations.

- ✓ **Comprehensive** - Supports a wide range of non-emergency medical needs, from colds and the flu to rashes, infections and more.
- ✓ **Convenient** - State-licensed physicians provide care by phone or video, 24 hours a day, 365 days a year.
- ✓ **Accessible** - Members receive treatment and guidance from home, work or while traveling within the US.

KEY FEATURES INCLUDE:

- **Virtual Doctor Visit**
Members connect directly with fully credentialed physicians for non-emergency care.
- **Prescriptions When Appropriate**
Physicians may prescribe short-term, non-DEA controlled medications for pickup at the pharmacy of choice.
- **Support Beyond Location**
During nights, weekends or holidays, when a primary care doctor is unavailable or while traveling in the U.S.
- **Treatment for Everyday Issues**
Allergies, cold and flu, ear infections, respiratory issues, rashes, urinary tract infections and more.
