

Dental **Direction.** Expert **Evaluation.** Actionable **Advice.**

DialCare Teledentistry is a comprehensive virtual dental solution. **This service provides 24/7/365 access to licensed dentists for dental guidance, advice and second opinions.** With DialCare Teledentistry, you receive support for oral pain, infections, gum issues and orthodontic needs, often helping avoid unnecessary ER or office visits. Get peace of mind (and mouth) anywhere you need it.

DialCare Teledentistry can advise you on the following:

- Oral pain
- Broken, chipped, sensitive or misaligned teeth
- Gum swelling and bleeding
- Sores, lesions, swelling or infections
- Orthodontia needs
- Provide expert second opinions to give peace of mind for oral health diagnoses and treatment options
- Provide clinically appropriate, non-DEA controlled prescriptions when needed
- And more

When to use DialCare Teledentistry:

- For non-emergency dental issues, questions and concerns
- When you live a significant distance from a dentist
- For second opinions on dental care
- While your primary dentist is unavailable
- While traveling within the U.S. and in need of dental care or guidance
- During or after normal business hours, nights, weekends and holidays
- To avoid unnecessary trips to the E.R.
